

NEWS LETTER

Summer 2020

ELECTRICAL ENGINEERING DEPARTMENT

VISION

"To give quality technical education in the electrical engineering sector to develop technically skilled employee for the growth of industry & society."

MISSION

- M1:**To give technical education by implementation of curriculum.
- M2:**To provide field knowledge to the students by giving industrial & expert interaction.
- M3:**To develop students technical ability & importance about profession.
- M4:**To create students with ethics, social responsible & encourage for acquire life long learning skills.

Editor desk

Prof. A. S. Mane

Hello Everyone!

The beginning of the academic year is at its heart, a fantasy of newness and clean slates of the chance to do things differently and with more attention to purpose. In reality, it's also one of the most challenging times of year for many of us. With the commencement of new academic session for MBA program, new dreams, hopes, aspirations and events are also unfolding. The editorial desk is thankful to all those who contributed to this edition

Prof. A. S. Mane (Lecturer at EE)

Mr. Rushikesh More (Student)

HOD Desk

Prof. A. S. Nivade

Welcome to the department of Electrical Engineering at DKTE YCP Ichalkaranji. The department works with the objective of addressing critical challenges faced by the Industry, society and the academia. Perhaps even more important is our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career. Department of Electrical Engineering is one of the largest department in DKTE YCP College. The department faculty work with excellent team spirit in different technical team like Power System, Electrical Machines, Power Electronics, Modern Electric Drives, Control System, Renewable Energy, Electrical Measurement & Instrumentation, Power Generation, Communication systems, Electronic gadgets, Programming of Micro controller, Digital System Design etc. which leads to key research publications in these areas. The department strives to provide a conducive environment for the students to develop analytical and practical skills and apply them to real world problems. To motivate the students the department organizes regular training in state of art software & hardware, arranges workshop, technical events, seminars & industrial visit.

Student Desk

Mr. Rushikesh More

DKTE YCP is much beyond just an "Institution" ...It actually denotes a "Culture" ...Culture of excellence, empowerment, and enrichment. Being a part of YCP, I felt blessed. The college has molded my personality and clarified my vision of the future. That day is not far when people will recognize me with the name of YCP and I am very grateful to the Institute for providing guidelines and motivation to inspire me to achieve my goals.

Ms. Shweta Jugale

I would like to say that the three years at News letter. were one of the best periods of my life. At News letter, it always felt like a family, an another home, which helped me in my academic learning. I am thankful to all the faculty members of the College for their continuous efforts and support. Apart from excellent academic experience, I also gained the benefits of being a part of Cultural Student' body. I cherish every moment spent at News letter.
