**HEAD OF DEPARTMENT**

**PROF. A. M. Bhiavade**

We are drawing to a close this year with this last message for 2017. As we look back, I think we have had many achievements that we can feel satisfied about. Many of our members and students received well deserved awards and recognitions, many conferences, FDPs, SDPs and events were organized by our department, and so on.

**VISION**

“To achieve Highest Standards of quality education and to create professional manpower in Electronics Telecommunication engineering domain beneficial to Society.”

**MISSION**

- M1: Imparting quality technical education to the students by providing teaching learning environment
- M2: To provide sufficient industry exposure to the students
- M3: To prepare the students in engineering profession for betterment of society
- M4: To train the students to possess the critical thinking skill, creativity for problem solving.

**Program Educational Objectives**

- PEO 1:- Provide socially responsible, environment friendly solutions to Electronics and Telecommunication engineering related broad-based problems adapting professional ethics.
- PEO 2:- Adapt state-of-the-art Electronics and Telecommunication broad-based technologies to work in multi-disciplinary work environments.
- PEO 3:- Solve broad-based problems individually and as a team member communicating effectively in the world of work.
