HEAD OF DEPARTMENT

PROF. R. V. Pujari

I am very happy to publish the newsletter of our Electronics and Telecommunication Department. This newsletter shows curricular, co-curricular activities carried out by the students as well as faculties during academic year 2019-20. ENTC department is accomplished with ignited souls and creative students. I am also very grateful to our Management & Principal for their valuable support and encouragement. I congratulate all the team members for their constant efforts in launching this news letter

VISION

"To achieve Highest Standards of quality education and to create professional manpower in Electronics Telecommunication engineering domain beneficial to Society"

MISSION

- M1 : Imparting quality technical education to the students by providing teaching learning environment
- M2 : To provide sufficient industry exposure to the students
- M3 : To prepare the students in engineering profession for betterment of society
- M4 : To train the students to possess the critical thinking skill, creativity for Problem solving.

Program Educational Objectives

- PEO 1:- Provide socially responsible, environment friendly solutions to Electronics and Telecommunication engineering related broad-based problems adapting professional ethics.
- PEO 2:- Adapt state-of-the-art Electronics and Telecommunication broad-based technologies to work in multi-disciplinary work environments.
- PEO 3:- Solve broad-based problems individually and as a team member communicating effectively in the world of work.
